Costa Rica DMC

We design the most exclusive mix of adventure tours, events and upscale productions, to achieve greater results and consolidate long-term partnerships with our clients and suppliers.

Recognized as the most sophisticated group of planners, the undisputed leader in the design and creation of the most outstanding productions.

Costa Rica DMC is also known for the time and dedication we devote to research, for the smart design of creative out-of-the-box proposals and for showing unmatched performance to the most demanding audiences.

We stand out for:

- Supplying out of the ordinary personalized service.
- Giving top-priority treatment to your requests.
- Designing cost effective proposals.
- Providing premium quality suppliers.
- Delivering a seamless operation.

Our skilled team has combined its talents to develop and operate for more than a decade, a vast number of incentive programs for prestigious North American Corporations.

We offer:

- Competitive pricing and detailed itemized proposals.
- Tailor-made programs.
- Adventures never to be forgotten.
- Unique venues and top quality entertainment.
- Top management supervision at all times

Our experience and knowledge of the destinations we serve, our keen follow up during the design and operation of your program, and our dedicated post event evaluations make it easy and fun working with us!

We have an in depth understanding of the incentive travel industry to guarantee a personal and comprehensive destination management partnership.

A list of international meeting planners and incentive house professionals who have experienced our services is available upon request.
